Local Formula windsurfing racer and Berkeley resident, **Weyman Lundquist**, in conjunction with **Cal Adventures**, is leading a series of clinics with a three year goal of teaching participants to race on a national level. Weyman has been racing windsurfers in the Bay for over 20 years and has guided his sons to achieve national rankings in the sport.

For those who are not sure about racing, the clinics will still provide a unique opportunity to learn the sport in a friendly and supportive environment.

This first series of clinics is open to all youth 11 – 14 years old regardless of experience level, but enrollment is limited to 18 participants. *Pre-register now to guarantee your spot. Do call ahead to see if walk-up registration will be available.
